

**-REMOTE EXTERIOR MAINTENANCE-
TOPICS & AREAS OF FOCUS**

Total video time: 1 hour

Watch the videos provided below & use the quiz link provided to complete the course.

EXTERIOR MAINTENANCE

HOUSE, PORCH and RAMP, ROOF

Learn how to pressure wash your house, staining your porch & ramp and other important maintenance tasks, how to seal gaps which will prevent air from escaping and keep water from seeping inside, and how to inspect your roof from the outside and inside through the attic.

LAWN, LANDSCAPING, SIDEWALKS and DRIVEWAY

Review seasonal requirements, types of grass, and maintenance requirements, what and when to plant in your yard, review pressure washing your driveway, and the City of Atlanta requirements to maintain your sidewalk.

City of Atlanta Sidewalk Laws:
