

volunteer information

Four important steps to prepare for a safe and fun build day

1. Read the rules to build by
2. Review the project build schedule
3. Arrive at the build on time, builds begin at 7:30 a.m.
4. Commit to the entire build day

what to wear

When you volunteer to build with Atlanta Habitat, you are working on a construction site. From head to toe, we want you to be dressed safely and comfortably.

- Weather appropriate layers: sturdy pants recommended, not required
- Work gloves (We provide them, or you can wear your own)
- Hard hats (We provide them)
- Hard sole sturdy shoes that you don't mind getting dirty are required i.e. steel-toe boots, hiking boots, or sturdy running shoes/sneakers
- Plenty of sunscreen

what not to wear

- Sandals or open-toe shoes
- Jewelry

Safety glasses, ear plugs, dust masks, and fresh water for your refillable water bottle will be provided at the build site.

Thanks for volunteering with us!

rules to build by

Time commitment

- **Arrive on time at the work-site** to participate in the required safety orientation.
- Commit to helping for the full build day, from beginning to end.
- All volunteers are needed to help clean up at the end of the workday.

Age restrictions

- No one under the age of 16 is allowed on site – no exceptions.
- Volunteers ages 16 and 17 must have a parent or guardian sign their *Release and Waiver of Liability*.
- Volunteers ages 16 and 17 will be excluded from certain activities, such as but not limited to, using power tools.

Tools & materials

- All tools and supplies are provided at the work-site.
- Volunteers may bring tools; they must be marked with your name and phone number. Volunteers are not permitted to bring power tools. Atlanta Habitat is not responsible for damaged or lost items.
- Drinking water is provided on site, please bring a refillable bottle.

Parking & automobiles

- Volunteers are strongly encouraged to carpool. Parking is very limited.
- Please remove anything of value from your car. Atlanta Habitat is not responsible for car damage or stolen items.

Weather conditions

- Atlanta Habitat builds year-round, rain or shine.
- Workdays are not typically canceled due to adverse weather conditions.
- The house leader will shorten the workday if inclement weather persists or conditions become dangerous.

one-story build schedule
